

# BESTMALZ

FOR THE BEST BEER

## Product Specification

**BEST Wheat Malt**

**Crop: 2022**

BEST Wheat Malt is the base malt for all wheat beer varieties. It ensures tangy freshness and the typical top-fermented wheat beer taste. It is produced exclusively from high-quality brewing wheat. Compared to BEST Pilsen Malt, the wheat malt has a higher protein content and is therefore suitable for increasing the full-bodiedness and improving the foam in top-fermented beer specialties.

Flavor: Passion fruit, clove

The below mentioned figures are subject to harvest-specific variations. All analysis are performed by independent, certified laboratories according to MEBAK „Brew-Technical Analysis Methods“.
